

SOCI4202 Short Description

本課程設計是讓學生從「服務學習」(service learning)中加強社會學及研究的知識。課程目標如下：一) 從教師角色的學習中增進自我認識，並建立自我領導力；二) 鞏固學生的社學知識；三) 教導學生基本的課室教學/線上教學溝通技巧；四) 為學生提供在真實的學校環境/線上平台中實習，教授中學人文學科或相關科目的機會；以及五) 在課堂引領學生以社會學角度反思以上的經驗，並以教學履歷(portfolio)方式綜合起來。

The course “Teaching Workshop for Sociology Students” is designed to provide students an opportunity to enhance their knowledge on sociology and/or research by service learning. The course aims to 1) develop self-leadership by discovering one’s strengths and limitations and translate those self-knowledge into contributing factors of self-growth; 2) consolidate students’ knowledge on sociology; 3) facilitate students with basic teaching communication skills in classroom and online settings; 4) provide an opportunity for students to conduct at least one lecture of Humanities-related subject in secondary classroom; and finally, 5) reflect on these experiences in structured in-class discussion and in writing assignment with sociological perspective.
